

MISSOURI SOCIETY FOR HEALTHCARE ENGINEERING
Member of ASHE since 1972

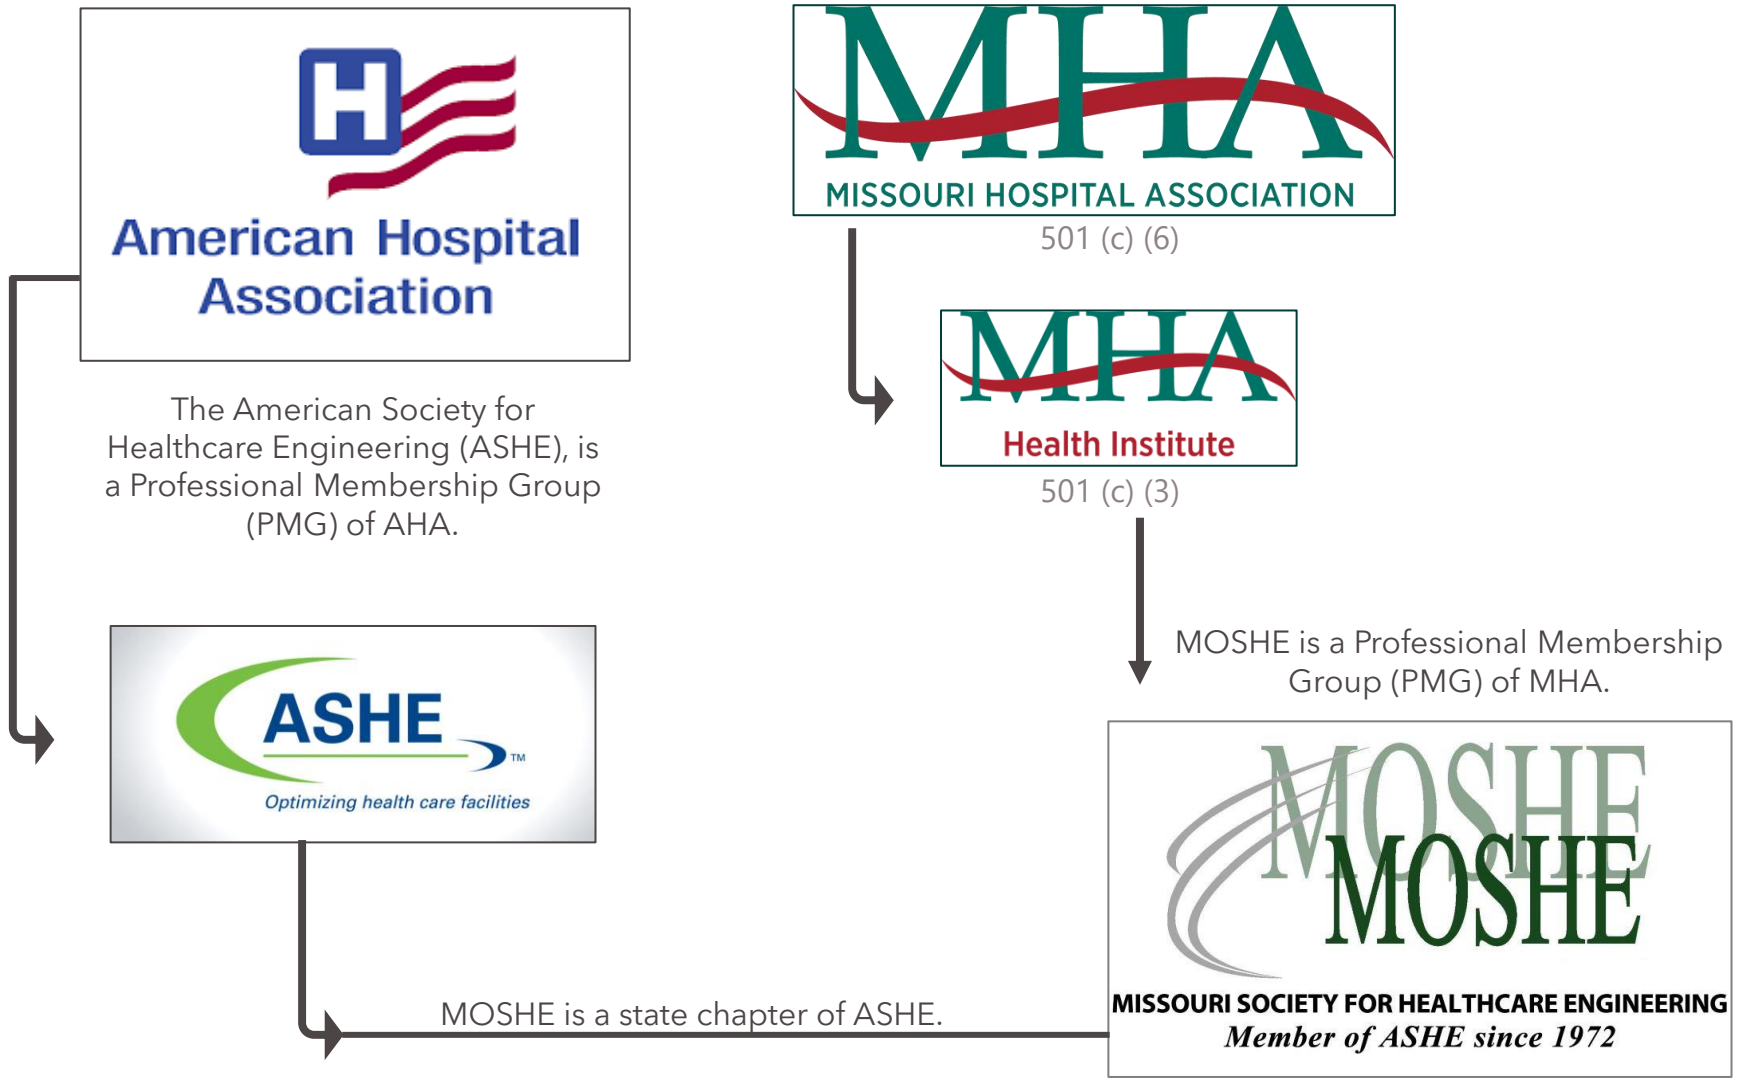

Welcome to MOSHE's One Day Seminar
FCIA Barrier Management Symposium™

About MOSHE

MOSHE is an association devoted to professionals who design, build, maintain, and operate hospitals and other health care facilities. We are dedicated to improving the quality of health care in Missouri through the professional development of individuals in the supporting and allied fields.

MOSHE is an affiliated chapter of the American Society for Healthcare Engineering (ASHE) and a professional membership group (PMG) of the Missouri Hospital Association (MHA). MOSHE is a trusted resource that provides education, regulatory guidance, networking, advocacy representation, and professional development for our members. MOSHE is committed to our members, the facilities they build and maintain, and the patients they serve.

Our Structure

MOSHE Member Benefits

- ✓ Educational Programs
- ✓ Networking Events
- ✓ Important Updates
- ✓ Professional Development
- ✓ Directory & Resources
- ✓ Scholarships

Educational Programs

Our programs are designed by our members, for our members, and include the topics that matter most. MOSHE's education programs have become even more accessible to members who can participate in-person or virtually.

This year we will provide over **30-hours** of valuable continuing education credits (CECs).

Networking Events

MOSHE members are health care facility managers, engineers, architects, designers, constructors, infection control specialists, and others.

Our membership is diverse, and we stay connected through our community. This year we will provide over **28-hours** of valuable in-person networking time.

Important Updates

The healthcare Industry is one of the most heavily regulated, and there are frequent changes in policies to be aware of. MOSHE members receive timely updates.

- Missouri Hospital Association (MHA)
- American Society for Healthcare Engineering (ASHE)
- The Joint Commission (TJC)
- Centers for Medicare & Medicaid Services (CMS)

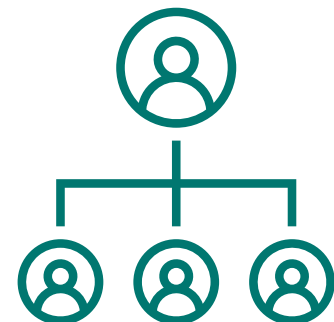

Professional Development

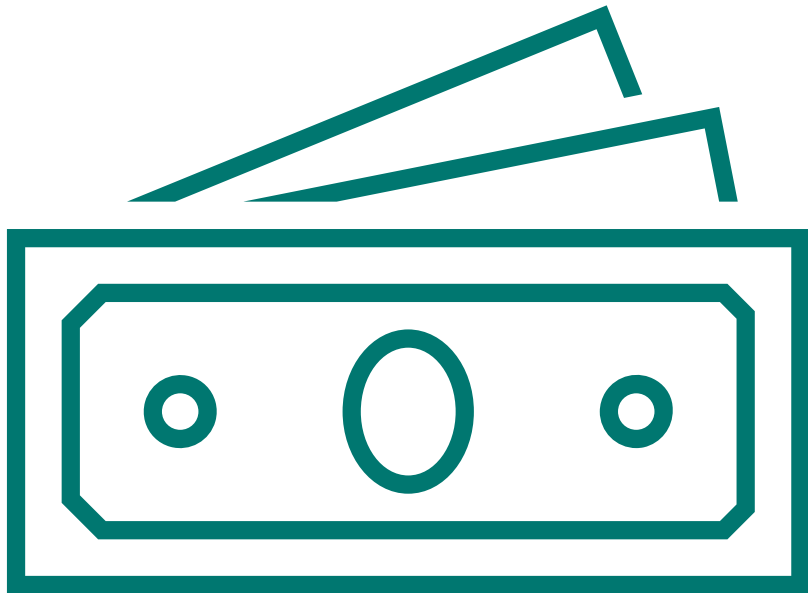

Through educational programs, peer resources, networking events, and committee involvement, MOSHE members have many ways to stay connected. MOSHE members rely on the input and advice of their trusted colleagues and associates.

- Share best practices
- Demonstrate your professional expertise
- Boost your resume
- Get referrals
- Use MOSHE's job board to land a new job or hire the right person to fill an open position

Directory & Resources

- MOSHE members can connect any time. Our members have exclusive access to our full membership directory.
- Recordings of MOSHE education programs and materials from educational programs are also on our website, mosheonline.org.
- Use MOSHE's Job Board to post a job opening or find a new one.

Scholarships

Each year MOSHE provides nearly **\$20,000** of scholarship funding for our members. MOSHE's scholarship funds support facility members to:

- Attend the ASHE Annual Conference
- CHFM Exam Waivers
- Complimentary ASHE Memberships
- ASHE Publications

Upcoming Events

MOSHE

Thursday, November 17

Ransomware 2.0

(Virtual)

The increase of Ransomware has hit health care especially hard. In this talk Dave Chronister will discuss the particulars of a ransomware attack; what are they, how they have evolved, and what we can do to help reduce the damage from a ransomware attack. Dave will answer any and all cybersecurity questions you may have.

Speaker

Dave Chronister, CISSP, CISM, CISA, QSA PCI-DSS - CEO, Parameter Security

Continuing Education

1.5 CECs (1 CEC = 1 contact hour)

Thursday, December 8
