

Firestop Contractors International Association

June 11, 2025

Passive Fire Protection Jedi Master,

We are thrilled to invite you to partner with us as a sponsor for the upcoming Firestop Industry Conference and Trade Show, taking place on October 13-16, 2026 at the Hyatt Regency Grand Cypress in Orlando, FL. This premier event brings together industry leaders, innovators, and professionals to share knowledge, showcase cutting-edge solutions, and drive advancements in firestop and effective compartmentation technology and safety.

Why Sponsor?

Your sponsorship will position your brand at the forefront of the firestop and effective compartmentation industry, offering unparalleled opportunities to:

- **Connect with Key Decision-Makers:** Engage directly with fellow Jedis who directly influence the industry.
- **Showcase Your Innovations:** Highlight your products and services to a targeted audience through interactive exhibits and dedicated networking opportunities.
- **Enhance Your Brand Visibility:** Gain prominent recognition across event materials, including signage, programs, and digital platforms.
- **Support Industry Progress:** Contribute to educational sessions and workshops that elevate standards and promote fire safety excellence.

Last year's conference was a resounding success thanks to the generous support of sponsors like Specified Technologies Inc., Performance Contracting Inc., Rockwool, Performance Contracting Inc. – Atlanta, ARC Firestop Solutions, Balco, EMI, Thermafiber, and Hilti, not to mention the many hole and sign sponsors at the FCIA Memorial Golf Tournament. Their contributions helped us deliver impactful presentations, the largest Scholarship we have ever awarded, a thrilling Casino Night, riot-inspiring gifts and prizes, and networking opportunities that fostered collaboration and growth. We are deeply grateful for their partnership and the positive impact it had on our community and our event.

This year, we've set our sights on making the FCIA Firestop Industry Conference & Trade Show even bigger and better with expanded programming, a larger trade show floor, and enhanced networking experiences. We hope you'll join us as a sponsor to help make this vision a reality. Your support will not only amplify your brand's presence but also display your commitment to advancing fire safety and FCIA's efforts to amplify the Passive Fire Protection voice.

There are a range of sponsorship packages to suit your goals, from exhibit booths to sponsorships and branding opportunities. Please contact Lindsey Dutkiewicz at lindsey@FCIA.org or +1 708-202-1108 by August 30, 2025 to join the (Fire-)Resistance movement. *Note: Sponsorships are first-come, first-served, so don't delay!*

This is your moment. Your time to rise and answer the call.

We look forward to partnering with you to make this year's Firestop Industry Conference and Trade Show our most impactful yet!

Yours sincerely,

Lindsey Dutkiewicz, Executive Director & FIC '25 General Organa
On behalf of the FCIA Governing Board
