## SPONSORED CONTENT PRINT/DIGITAL

Life Safety Digest is happy to introduce our new SPONSORED CONTENT initiative, available to members of the FCIA. What exactly is SPONSORED CONTENT? While our editorial policies mandate that all article content in our magazine is educational in intent and must be industry specific/product generic, paid SPONSORED CONTENT can reference and promote your products by name and type.

Take this opportunity to profile your products to our magazine readership – your submission will appear in our print and digital versions of the magazine.

- A one or 2 page submission in the Life Safety Digest which will be clearly identified as Sponsored Content via top page colored banner
- As with any submission, our goal is to inform and educate our reader
- As this is paid content (and will be tagged as such) authors are allowed to promote their own products by name and type.
- This Sponsored Content is precluded from denigrating – negative selling - competitive product lines (within the same type) as well as differing product types designed for the same outcome.
- Similar to all content submissions, this content will be reviewed by our editorial committee to ensure that it adheres to the criteria listed above. Should edits need to occur, the Life Safety Digest Staff will work with the author to ensure an appropriate outcome.

**THE COST FOR THIS NEW OPPORTUNITY IS AVAILABLE TO MEMBERS ONLY:**

- **2 PAGE SPREAD: \$4500**
- **1 PAGE SPREAD: \$2750**

Submissions are limited to 1 participating company per issue. Complete the form below to claim your space! First to claim an issue will have precedence but companies are only allowed to claim 1 issue. If space is not filled when an issue is being put together, Life Safety Digest staff will reach back out to our members.
